Session 3: Ongoing Research/Current Studies

<u>TIME</u>	<u>TITLE</u>	<u>SPEAKER</u>
0730	Sessions Objectives	Wilmarth
0745	ART Proposal Awards	Nelson
0815	Alternative Oxidation Leaching Studies	Holland
0845	Impact of Aluminum on Vitrification Waste Processing	Peeler
0930	Session Wrap-up	Wilmarth
0945	Break	

Session 3 Objectives

- Discuss possible alternative treatment technologies to enhance leaching performance
- Determine modifications to vitrification processes to accept higher waste loading and enhanced processing
